

**BOZZA EMAIL – per sponsor abituali**

I have the pleasure to inform you that starting from this year the Embassy of Italy will offer interested companies the possibility to become a sponsor for the Reception held at Mandarin Oriental to celebrate the Italian National Day.

While during the last years your company already participated at the event by showcasing your latest models at the Mandarin Oriental Hotel, starting from this year we would like to expand the collaboration and offer more visibility and possibilities to our sponsor for promotional activities at the event.

The Ambassador of Italy offers the opportunity to sign sponsorship contracts with the Embassy, aimed at acquiring advertising spaces on the occasion of the Italian National Day 2020.

Please kindly refer to the Public Bid for Sponsorship and its Attachment for specific details.
