

General Rules

1. Download and print your Taste of Italy Passport or ask one at the restaurant.
2. Visit the participating restaurants during the **Week of the Italian Cuisine in the World**, in this special occasion will be extended **from 1/11/2026 to 30/11/2026**.
3. Each participating restaurant will offer a special menu or selected dishes for the initiative. Before ordering, please check the restaurant's specific requirements for receiving a stamp.
4. After making a qualifying purchase, ask the restaurant staff to stamp your "Taste of Italy Passport".
5. Collect the required number of valid stamps to qualify for a prize category. Please refer to the **"Prize Categories"** for the number of stamps required for each category.
6. Once you have collected the required number of stamps, bring your original printed "Taste of Italy Passport" to the **Embassy of Italy in Bangkok, 40th floor, between 1/11/2026 - 11/12/2026**, to claim your prize.
7. The number of valid stamps collected will determine the prize category for which you are eligible.
8. When you redeem your prize, you may choose **one prize from those still available within your eligible prize category**. Prizes cannot be reserved and are subject to availability at the time of collection.
9. If all prizes in your eligible category have already been claimed, you may choose one available prize from the **next lower category only (vouchers cannot be combined)**. For example, if you qualify for Category C but no Category C prizes remain, you may choose one available prize from Category D, the category immediately below, rather than two prizes from Category E.
10. Each time you collect enough additional stamps to reach a new prize category, you may claim one prize from that category, even if you have already claimed a prize from another category. Only one prize may be claimed from each category.
11. All prizes are available in limited quantities and will be distributed on a **first-come, first-served** basis, while stocks last. Collecting the required number of stamps does not guarantee a prize if all prizes in the relevant category have already been claimed.
12. Once selected, prizes cannot be exchanged, replaced, transferred to another person or redeemed for cash.
13. Taste of Italy Passports containing copied, forged, altered or duplicated stamps will not be accepted. Multiple stamps from the same restaurant will not be counted. For example, three meals at the same restaurant will count as only one stamp, even if three stamps were issued. Likewise, two stamps from the same restaurant will count as only one stamp, even if they were obtained at different branches.
14. **Only one Taste of Italy Passport per person** will be accepted. Stamps placed on loose sheets, receipts or any other material other than the Taste of Italy Passport will not be considered valid.
15. The organizers reserve the right to verify the validity of all stamps and to make the final decision regarding prize eligibility.
